With 5 years experience in financial compliance and transaction monitoring, gained through my work at Wise Payment Limited and Inlaks, I am excited about the opportunity to contribute my expertise to your team.

At Wise Payment Limited, I honed my skills in analyzing, reviewing, and evaluating customers' sources of wealth and funds, using a risk-based approach to investigate suspicious transactions and adverse media search. My experience in liaising with customers and internal teams to resolve transfer-related issues has equipped me with excellent communication and problem-solving skills, essential for addressing complex business structures and transactions.

In my role at Inlaks, I specialized in analyzing payment transactions to identify discrepancies and fraudulent activities. This experience has given me a strong foundation in reviewing and identifying transaction patterns, ensuring accuracy and compliance with applicable laws and regulations. My proactive approach in investigating and resolving payment discrepancies and disputes has been instrumental in maintaining the integrity of financial transactions.

Furthermore, my experience in identifying and verifying Politically Exposed Persons (PEPs), conducting risk assessments, and continuously monitoring transactions aligns perfectly with the responsibilities of a Transaction Monitoring Analyst. I am adept at using various databases and open-source research for due diligence and am skilled in preparing detailed reports for internal teams and regulatory bodies.

I am enthusiastic about the prospect of bringing my diverse skill set and knowledge to your esteemed organization, where I can continue to address complex challenges and contribute to the operational excellence of the financial investigation team.

I am looking forward to the opportunity to discuss how my experience and skills would be beneficial to your team. Thank you for considering my application. I hope to bring my commitment to excellence and my passion for financial integrity to the team.
